## NEW: STUDENT ADVISORY GROUP!

ACE-BC supports post-secondary institutions in BC with access and inclusion for Deaf, Deaf-Blind and hard of hearing students.

To improve our services, we want to hear from students, starting with a survey, creating a student advisory group, and invite you to join us the first week of March, to learn more about this group.

If you are interested in learning about our provincial program and student advisory, please respond to our poll, with your availability: <https://doodle.com/meeting/participate/id/dRlrDBYa>

We look forward to meeting with you!
